

Opting out of sundries

If you have opted out of sundries you will need to provide the setting with a labelled bag containing the below. Your child's bag will be returned to be refilled at the end of their week. We require a weeks' worth of supplies, labelled plus a few spares. If we do not have their bag you will be sent an invoice for the full sundries package. We do not hold any responsibility for the bag or the items in it.

Please note that if your child does not have adequate supplies for the week they may not be permitted to come to nursery.
